Dear Parents,

To introduce myself, I'm Mike Jones (proprietor of Education in Focus) and for many years I've been running photography workshops and clubs in schools throughout the Midlands.

I'm delighted to have been invited back by St Ambrose Primary School to run another after-school Digital Photography club. For your assurance, I'll be running the club strictly within COVID-19 guidelines.

Lasting for one hour from **3.30 – 4.30** on **Friday afternoons**, the sessions will run for **five weeks after Easter, specifically: 21st & 28th April and 5th, 12th & 19th May.**

The club is designed to encourage all budding photographers to develop skills via this fun and creative introduction to digital photography.

All cameras/devices are capable of producing perfect 'point and push' photographs. Therefore, through the genres of portraiture, still life, forced perspective, landscapes and architecture, etc, the emphasis of the club sessions will be composition and working with different lighting techniques.

To assure you that I don't have access to any photographs taken by the children, my strict safe-guarding policy prevents me from supplying cameras to the club members.

Therefore, the children will only be using the school's iPad devices to take their photographs.

Place allocation will be on a 'first-come-first-served' basis and the total cost for all five sessions is **£25.00** per child (payable in advance and is not refundable or transferrable).

If your son/daughter would like to take part, please **complete the attached Registration Form** and return it directly to me via email: mike@education-in-focus.co.uk as soon as possible, but **before Monday 27th March**, this being the closing date for applications.

To guarantee your child's place within the club, please send remittances via online banking directly to the Education in Focus account at NatWest **before Monday 17th April** using the account name: **Mr Michael John Jones**, sort code: **60-04-05** and account number: **85222550**.

Please ensure you include the code: **StA** along with your **child's name and class** within your payment reference.

Please do not make any payments directly to the school – the club will be run by me on an 'External Resource Provider' basis within the school.

I'm very much looking forward to running the sessions again at St Ambrose Primary School and I'm sure they will be a fun and fruitful learning experience for all.

With kind regards

Mike Jones
