

Year 6: Summer Term

R.E.

Easter - Know the story of the appearance of the Risen Christ to Thomas. Understand some reasons why he failed to believe that Christ was alive. Describe how his meeting with the Risen Christ changed Thomas' life. Know that Christians believe in eternal life. Know some New Testament stories that speak about this eternal life and identify symbols from the Baptismal and funeral liturgy that speak about eternal life

Prayers in the Lives of Followers of Christ - Know a range of traditional prayers used by the Church and be able to discuss the meaning of the words contained in them. Write their own Psalm prayer and be able to identify important actions and gestures associated with prayer. Know that the Mass is the central prayer of the Catholic faith and know about some customs of prayer in other world religions

Belonging to the church community - Know that a direct link exists between the teaching of the Apostles, the role of the Pope and Bishops today and the faith that is nourished and celebrated in the local parish community today. Recognise that the Church is a universal Church and that the life of the local parish is founded upon the faith of the apostles and the universal Church.

Celebrating the Life of Mary and the Saints - know about the Church's feasts in honour of the Blessed Virgin Mary and understand why such importance is attached to them. Know that Mary and the saints enjoy the life of heaven and know some of the Church's prayers to honour them.

English

Class Readers: Street Child by Berlie Doherty

Writing Opportunities: Persuasive writing, Free Write Friday's – a chance for the children to write what they would like to.

RSE – Making Babies (Part 1) / Making Babies (Part 2)

Menstruation / Trinity House / Catholic Social Teaching / Reaching Out

PSHE – Transition Workshop

Transition Days at High School

Maths

SATS Revision

Variety of themed activities created to consolidate prior learning and problem solving and reasoning

PE

Tennis, Rounders and Athletics – in preparation for Sports Day

History

Kings and Queens

Pupils will explore the changing role of the British monarchy from 1066 to the present day. They will learn about key monarchs and dynasties, including the Normans, Plantagenets, Tudors, Stuarts, Hanoverians and Windsors, placing them in chronological order. Pupils will investigate significant events such as the creation of Magna Carta in 1215, the Acts of Union in 1707 under Queen Anne, and the social, economic and technological changes of the Victorian era. They will also examine how the monarchy evolved during the reign of Queen Elizabeth II and consider the constitutional role of King Charles III today. Through their studies, pupils will develop an understanding of how royal power, influence and responsibilities have changed over time and how these changes have helped shape modern democracy and society.

Science

In Science, pupils will continue their learning about **Living Things and Their Habitats**, revisiting the work of Carl Linnaeus and his system for classifying plants and animals. They will then explore **Evolution and Inheritance**, learning about Charles Darwin's groundbreaking theory of evolution and his work as a naturalist and geologist. Through investigations and discussions, pupils will develop their understanding of how living things adapt and change over time.

Music

End of Year Musical – The Pirates of the Curry Bean

Art

Sculpture and 3D Art - Pupils will explore the work of a range of artists and discuss different artistic styles to inspire their own creative outcomes. They will develop ideas through sketchbook work, using drawings and written notes to plan sculptures that represent memories through imagery, shape and colour. Using tools and materials confidently, pupils will translate their designs into successful 3D sculptures, working independently, experimenting with new techniques and refining their ideas throughout the process. They will reflect thoughtfully on their creative decisions, identify areas for improvement and produce original final pieces that demonstrate creativity, technical skill and personal growth.

Isaiah 43:18: Forget the former things; do not dwell on the past. Move On And Let Go. God Loves You And Has A Wonderful Plan For Your Life!
