

TAPP Smarties challenge

Here is a challenge for you and your families to get involved in during the month of May to help TAPP raise some funds for our school.

Each child has been given a tube of smarties.

What you need to do;

- 1 Ask mom or dad if you can eat the smarties (yum)
- 2 During the month of May ask your family and friends for some coins (1p, 5p, 20p or £1 fit inside the tubes)
- 3 When your tube is full, seal it up, put your name on it & return to your teacher by 27th May.

Let's see which class can raise the most & win a class prize!

Did you know.... a smarties tubes can hold £12 in 20ps!

Kind regards,

TAPP Team. 😊
