Dear Parents/Carers,

Your child has started the Phonic Programme in school. They have come home with a folder with lots of resources to use at home. I will be running a Phonics session for Parents to talk through how we teach Phonics and what you can do at home to support your child. There will be lots of practical ideas to help your child prepare for reading and writing words. It is important that they are writing in the cursive style with every letter starting on the line. They need to get used to writing like this at home and at school. (see pack)

After the session you will be invited into the Reception Class to spend some time with your child who will actively be involved in Phonic activities.

I will be running the Phonic session on Tuesday 24th September at 2pm.

Many Thanks,

Miss Brewer
