St Ambrose Catholic Primary School
'We do our best by following Jesus'

Anti-Cyber Bullying Policy

At St Ambrose Catholic Primary School we believe cyber bullying is the use of a mobile phone or the internet to deliberately upset another person. We have a responsibility to ensure that cyber bullying does not take place in this school by ensuring pupils, school personnel and parents understand what it is and how it can be prevented.

We understand cyber bullying is highly intrusive and the hurt it causes can be very severe. As it leaves no physical scars cyber bullying is not easy to detect by a parent or a teacher.

We acknowledge cyber bullying can take place anywhere and can target pupils and school personnel. There are many types of cyber bullying such as text messages, picture/video clips, mobile phone calls, emails, chat room bullying, instant messaging and the use of websites to convey threats, intimidation, harassment etc.

At St Ambrose Catholic Primary School we have a duty of care to protect pupils from cyber bullying as part of our responsibility to provide a safe, secure, caring and friendly school environment for all the children in order to protect them from those who wish to deliberately hurt them emotionally. We believe all our safeguarding procedures are in line with Sections 3(5) and 87(1) of the Children Act 1989 and Section 157 of the Education Act 2002 and that we promote the welfare of all children in our care.

We work hard to prevent cyber bullying by having in place a variety of safeguarding procedures.

We wish to work closely with the School Council and to hear their views and opinions as we acknowledge and support Article 12 of the United Nations Convention on the Rights of the Child that children should be encouraged to form and to express their views.
