Archdiocese of Birmingham

Dear Parent/Carer of.....

We are fortunate to have received a funded project from the **Worcestershire Family Learning Team**. We will be holding a Lads & Dads session **on a Friday Evening** between 5.30pm – 7.30pm. In the school Hall. This will be led by a Male Family Learning Tutor.

We are limited to 12 places and feel that you and your son would enjoy taking part in this project.

The first group will be taking part in a great project called 'Lads & Dads Junk Modelling' and will give your son and their Dad (or father figure, uncle, older brother, mum) a chance to:

- Spend time every week with your child as part of the Dads & Lads group. This can also be helpful when you have more than one child to share your time with at home.
- Get messy and creative with your son, making huge junk modelling projects such as rockets, to shoot into the sky.
- Spend time with your Family Learning Tutor sharing practical and helpful ways to support your son both at home and with their learning at school.
- Get to know other dads and carers at our school and share experiences.
- Have refreshments together, have a chat and enjoy time with your son.
- Learn something new and fun to do with your son.

The first session will be on **Friday 3rd May** and then sessions will be every week for 4 weeks until Friday 7th June. The last session will be all day on Saturday where a whole day of activities will take place with your son. Please can we ask that if you commit to the sessions that you are able to attend them all.

Unfortunately younger siblings or babies are unable to attend as we have no childcare facilities. Parents and carers can attend these sessions for free and there is no charge for you or your son. Please complete and return the slip attached to the school office by Monday 8th April. You will be advised by school whether you have been allocated a space on this great project. I very much hope you would like to take part.

Yours sincerely,

Mrs Stewart
Acting Principal

Dads and Lads Junk Modelling Course September 2018

I would/would not like to take part in the Dads & Lads Course.
