Please be very careful to see both the parish and the school newsletters so that you don't miss your week for Altar Serving. Please remember the weekend Masses; Sunday 11 am & 6 pm.

It is very important that we honour Our Lord in the Mass and the Altar Servers play a central part in this worship. We have a good reputation for providing excellent and regular Altar Servers, and I hope that you will ALL help us to maintain this.

Thank you for all the work that you do. God bless you and your family.

Fr. Douglas Lamb.
Parish Priest
