

How do I know if I live within the Parish of Saint Ambrose?

Many parents ask us to clarify which parish they live in. This is important for parents who are applying for a school place with a Roman Catholic faith claim because it determines which 'category' their child is placed in, and thus ranked, when making an application for a place at the school. Please contact the school if you need further details, for example the boundary for neighbouring parishes

name

St Ambrose, Kidderminster

description

Starting in the north at the junction of the River Stour with the Road from Caunsall to Stakenbridge:

1. East along the STAKENBRIDGE ROAD to Stoney Lane after crossing the Railway Line in Stakenbridge (neither side as far as Five Ways, thence both sides);
2. South-east along STONEY LANE across the Birmingham/Kidderminster Road and continuing along BROOM LANE to the Hagley to Worcester Road;
3. South along the WORCESTER ROAD (A 450) to the Barnett Brook (middle of the road as far as Belbroughton Road, thence neither side);
4. South-west along the BARNETT BROOK to the Kidderminster/Bromsgrove Road;
5. South along the BROMSGROVE ROAD (A 448) to the Shanklin Road at Stone;
6. South along the SHANKIN ROAD to the Summerfield Road (neither side);
7. South-west along the SUMMERFIELD ROAD to the Kidderminster/Worcester Road at Summerfield (neither side);
8. South along the WORCESTER ROAD (A 449) to the Wilden Road at Torton;
9. West along the WILDEN ROAD to its on the Kidderminster Road (neither side);
10. North along the KIDDERMINSTER ROAD for a short distance to the Path leading by Wilden Pool to the Canal (neither side);
11. North-west along the PATH BY WILDEN POOL crossing the River Stour to the Staffordshire and Worcestershire Canal;
12. North along the STAFFORDSHIRE AND WORCESTERSHIRE CANAL to Stourport Road;
13. South-west along STOURPORT ROAD to Sutton Road;
14. North along SUTTON ROAD to Bewdley Hill (neither side, but everything within the grounds of the General Hospital to belong to the Parish);
15. Continuing north along BLAKE BROOK to Mason Road (neither side);

16. East along MASON ROAD to Mill Street (neither side);
17. Crossing Mill Street to the southern corner of Puxton Lane and then following a DIRECT LINE to the River Stour between Puxton Lane and the General Hospital, thus excluding all of Puxton Lane, but including anything within the Boundary of the General Hospital.
18. North along the RIVER STOUR to its junction with the Road from Causall to Stakenbridge.
