

ST. AMBROSE'S CATHOLIC PRIMARY SCHOOL

Pupil Premium

The Pupil Premium is additional Government funding for schools designed to ensure that all pupils make the best progress whilst in school regardless of their socio-economic background. A sum of money is given to the school for each pupil on roll who is currently or who has ever been entitled to Free School Meals. There is also funding given for those pupils with a parent currently serving in the British Armed Forces and children who have been 'looked after' continuously for more than 6 months.

At St. Ambrose's we believe that all children deserve the very best education no matter what their background and we are committed to ensuring maximum progress for all groups of children.

The DfE has given schools the freedom to use the Pupil Premium based upon their knowledge of their pupils needs, stating that:

'It is for schools to decide how the allocation to schools per FSM pupil, is spent, since they are best placed to assess what additional provision should be made for the individual pupils within their responsibility'.

The targeted use of Pupil Premium is therefore at the discretion of the Principal and is aimed at addressing any attainment gaps between disadvantaged pupils and their peers.

If you think your child may be eligible for Free School Meals, please do apply, even if you do not intend your child to take the meal, as this will enable the school to obtain vital additional funding to benefit your child and the school.
